

4-3-1 建置健康促進學校網站，並置於學校網站首頁

The screenshot shows a web browser window with the URL bjjh.tn.edu.tw/modules/tad_evaluation/index.php?evaluation_sn=12. The page features a navigation bar with various system links and a main content area. On the left, there are three vertical menu items: '新生入學專區' (New Student Admission Special Area) with a colorful illustration, '線上學習專區' (Online Learning Special Area) with a cartoon of students at computers, and '白河國中課程計畫網' (White River National Middle School Curriculum Plan Network) with a stylized logo. The main content area is titled '白河國中健康促進成果' (White River National Middle School Health Promotion Achievements) and includes a '評鑑列表' (Evaluation List) button. Below the title, there are two tabs: '全部展開' (Expand All) and '全部縮起' (Collapse All). A list of health promotion achievements from 105 to 112 academic years is displayed, each preceded by a right-pointing triangle icon.
